SUBSTANCE USE POLICY

School Name: Meánscoil Iognáid Rís

School Address: Corban's Lane, Naas

School Details: Meánscoil Iognáid Rís is an all-boys Catholic voluntary secondary school under the Trusteeship of the *Edmund Rice Schools Trust*, formerly the Irish Christian Brothers. The school is named after the founder of the Order, Edmund Rice.

School Management: The Board of Management of Meánscoil Iognáid Rís is a statutory Board appointed pursuant to the provisions of the Education Act 1998.

MISSION STATEMENT

Inspired by its founder, Meánscoil Iognáid Rís aims to provide Catholic education in the Edmund Rice tradition. The school endeavours to be a caring Christian Community which promotes to the best of its ability the personal, spiritual, physical and intellectual development of its students

ETHOS

As an Edmund Rice School, Meánscoil Iognáid Rís seeks to promote the five key elements of an Edmund Rice School as espoused by the ERST Charter:

- Nurturing faith, Christian spirituality and Gospel-based values
- Promoting partnership in the school community
- Excelling in teaching and learning
- Creating a caring school community
- Inspiring transformational leadership

THE SCHOOL POSITION

Meánscoil Iognáid Rís is committed to addressing the needs of the whole school in relation to drugs. It is necessary that the Principal, Teachers, Parents/Guardians, Board of Management and Students work together to implement this policy. It is vital that parents/guardians actively work with the school to implement this policy to ensure their children's health and safety.

In this policy "Drug" means any substance which changes the way the body functions, mentally, physically or emotionally. The School recognises that drugs both legal and illegal are available in the community and that the school, as part of that community, has an important role in terms of education, prevention, support and the handling of drug related incidents.

THE SCHOOL ETHOS

As stated in the School's mission statement, Meánscoil Iognáid Rís is committed to enabling students to fulfil their academic, intellectual, moral, spiritual, social, cultural and physical potential. It also is committed to fostering the development of personal responsibility. This is the ethos which guides this policy.

- The School does not accept the possession, use or supply of illegal drugs in the school, or on outside activities or in non school time by any member of the school community.
- The School does not accept the possession, use or supply of alcohol or tobacco in the school or on school activities by any student.
- The School does not accept the misuse of solvent based substances. Students may have prescribed or "over the counter" medicines for legitimate personal use only.
- Students who have in their possession and take medical drugs in school long term must inform the school.
- The School must be informed if a student has a medical condition and relevant teachers, e.g. P.E. teacher must be informed also.
- A student or teacher may not give another student any prescribed or "over the counter" medicine.
- Chemicals in school laboratories will be held under lock and key. Students will handle and use such substances only under their teacher's supervision.

The policy is focused in four key areas:

1. Alcohol, Tobacco and Drug Education Programmes.
2. Managing Drug Related Incidents.
3. Training and Staff Development.
4. Monitoring, Review and Evaluation.

1. Alcohol, Tobacco and Drug Education Programmes.

The School is committed to providing an Alcohol, Tobacco and Drug Education Programme for all students. Our educational aims are:

- To increase the self-esteem and confidence of our students.
- To equip our students with personal and social skills.
- To enable our students to make informed, healthy and responsible decisions.
- To provide clear and age appropriate information on drugs.
- To minimise the harm caused by drug abuse by offering supportive interventions.

These aims will be achieved by:

1. A Health Awareness Co-ordinator.
2. Teachers are offered Drug Awareness training, SPHE training or any relevant training through regular in-service training.
3. Outside speakers are used where appropriate to reinforce the work done in class.
4. Parents/Guardians will be informed of what is happening in the school regarding drug information and drug awareness.
5. Student Drug Education will be achieved through:
 - SPHE Programme
 - Science
 - First Aid Course in Transition Year
 - Outside speakers where appropriate.

2. Managing Alcohol, Tobacco, Drug Related Incidents

We acknowledge that in all situations involving drugs, there needs to be a balance between the needs of the student, the needs of the school community, the reputation of the school and legal considerations. Assessing a drug incident: If there is no damage to the student/s, it is important to:

- Take time to listen and assess before responding.
- Separate fact from rumour.
- In situations of confirmed use or possession or supply all details must be recorded and acted upon.
- Then complete the drug incident report.

Managing a drug incident

A limited number of people are involved in all suspected or confirmed drug incidents. People will be informed on a "need to know" basis. All written records will be held confidentially by the Principal or Deputy Principal. Parents/Guardians will be involved. They will be informed sensitively and support offered to them. In the case of illegal drugs the Principal or Deputy Principal will contact Gardaí - Juvenile Liaison Officer, and any drugs will be dealt with by Gardaí. In response to all incidents, pastoral support will be offered.

If a student has a problem then referral will be recommended. Parents/Guardians, staff and other students involved in the incident will be offered support. Confidentiality is a complex issue. It is important that the limits of confidentiality are discussed with students before any disclosure is made. The well being and welfare of the student and teacher must be a primary focus.

The Principal or Deputy Principal will handle all media enquiries. They will not comment on individual cases but will refer to the school policy and procedures in place to manage any drug related incident.

Disciplinary Procedures

Drug incidents are complex and in situations where the school rules regarding drugs are broken, sanctions and punishments will be implemented depending on the nature of the offence. These will be consistent with school rules (see the code of conduct).

3. Training & Development

Meánscoil Iognáid Rís will provide:

Staff

- The School will facilitate training for staff involved in the SPHE programmes.
- All staff will be offered drug information and awareness training.
- Specific training will be made available to the Health Awareness Co-Ordinator and key staff in relation to managing drug related incidents.
- First Aid training will be made available to all staff.

Parents/Guardians

The School will provide opportunities to attend drug workshops and information evenings.

Students

The School will offer all its students drug education programmes within the context of their SPHE classes. TY students will study First Aid.

4. Monitoring the Policy, Review and Evaluation

The Health Awareness Co-Ordinator will monitor the policy once a year to ensure that it is of practical benefit to the School. The result will be recorded and made available to the Principal.

The following areas will be reviewed:

- Drug Education Programmes
- Managing Drug Related Incidents
- Parent, Staff and Management Training

Evaluation

Teachers, Parents/Guardians, Students and the Board of Management will be involved in the evaluation of this policy when it has been in place for one year. Again the three specified areas above will be evaluated.

Dissemination of Policy

Copies of this policy will be available to all the school community via our school website, app, and also from the school office. Copies will be given to all new staff and parents of new pupils as part of their induction to the School. Students will be made aware of the policy within the context of the SPHE programme.

This policy was adopted by the Board of Management on:

Date:

Colman Campbell
Chairperson of the Board of Management

Ben Travers
Principal

This policy will be due for review in
